The procedure in respect of adjustment of Jail advances appears to have been this :-

(1) Amounts ~~drawn~~ drawn from the Treasury were charged to the public debt head "Jail advances"

(2) Out of this, the pay of the manufacturing Establishment and the cost of raw materials was being met; and manufactured articles supplied to various departments and work bills sent to the Comptroller's office for adjustment. The Comptroller's office used to adjust these bills by debit to the departments concerned and credit to the receipt head "Sale proceeds of Jail labour and manufacture

At the end of the year the latter head would be debited to the extent of the amount outstanding under 'Jail advances' and the latter credited to that extent.

~~Thus~~ Thus at the end of the year there would be no balance under the debit-head "Jail advances"

According to the present procedure provision is made in the annual budget-estimate ~~for~~ towards the requirements of the jail manufacture also and therefore there remains no balance for being adjusted.

Revenue authorities to furnish any definite information on the point and as it involves protracted correspondence of doubtful utility I propose as in the case of Takavi advances that this item also may be written off the accounts.

As to the item of Rs. 5'111/= under advances for Jail manufactures particulars for the sum of Rs. 1826/= have been traced and adjusted in the accounts of the current year and for the difference of Rs. 3286/= the old accounts are still being searched and the result will be reported in due course.

Sir,

With reference to Govt Pro.
No. AC397 dated 7th instt stating
that this office has dealt with
in Letter No 7325 dated 24th June 1903
only one of the 15 items referred to
in the Government Order No 1150-1192
18th-1901-02
D/7-2-03, I have the honor to state
that in your letter No 190 dated 13th
May 1903, I was specially asked to
expedite the report on the difference.

By Rs 1372/=

Of Rs. 1372 under Permanent advances
a separate report was therefore
sent. Similarly a report was
separately made on Advances
Recoverable and suspense including
other objections on which Govt was
pleased to pass orders on Rs 340-48
~~Advs~~ dated 4-8-03.

Of the remaining 12 items
it is for the Government to decide
how far the marginally noted * items
are recoverable and how much of
each has to be written off as irrecoverable.

2nd item — Forest advance Rs 2.3.92/-

The Conservator of Forests
will be seen the adjustment reports
will again be addressed on the
subject and his reply submitted.

3rd item - Survey Boundary mark
Charges recoverable from ryots Rs 5.802/-

* Irrigation Water dues Recoverable from Municipality Rs 1.50.000
Professional Taxes — Rs 6309/-
Receipts Recoverable from Revenue Deptt — Rs 178524
Tankasie — Do — Rs 34520
Coffee Duty Refunds — Rs 5895

The charges are included in the Revenue Demands, and collected by the Revenue authorities. The Deputy Commissioners will be addressed on the subject and their replies submitted to Government for orders.

5. Jail Manufacture advances Rs 5,111/-

Under the old system of adjustment, all the sale proceeds of Jail manufactures were credited to Jail advances and all advances on a/c of Jail manufacture were likewise debited to Jail advances, and the net excess credit was transferred to the credit of Government account. No adjusting advances for Rs 5111/ were left unadjusted and they will be adjusted in the accounts of 1902-03.

5 to. Item — Takavi Rs 11,499/-

This represents mostly the unadjusted balance of advances made

in

in the famine of 1877-78. The recoveries are small and made at long intervals. I would suggest this amount being written off the accounts & future recoveries if any credited to 19 Miscellaneous a separate account being maintained for the Takavi advances made under the orders passed in October 1902.

6th item. Advance for Police Wells. Rs 1545/-

These advances were made in 1891-92 for sinking wells at Police Stations as Famine Relief works. Adjustments are being made as bills are received. The Deputy Commissioners of Districts will be asked to submit bills for the balance as early as possible.

10 Items are — Rs 2227.

This item requires investigation & will be reported later on.

11. Advance for Furniture Rs 41/-

Agreeably to Govt. Order No D249 dated 17th March 1892. Rs 100/- was advanced for purchase of furniture for the office of each of the two extra officers specially deputed to do duty in the Chitaldrug in connection with Relief works, of which Rs 59/- were repaid in 1892-93, and the balance of Rs 41/- still remains to be adjusted. This sum must have been spent on the purchase of furniture, and will be adjusted in communication with the Deputy Commissioner Chitaldroog.

Sir,

With reference to your letter No 4159/RE 629-03 dated the 4th January last, and subsequent reminders on the subject, I have the honour to state that the outstanding in question refers to the old disallowances made from working charges bills from time to time. Originally, this balance was so high as Rs 32,392 but after a careful investigation lasting over several months in many cases, a sum of Rs 30,000 was finally adjusted in the accounts. With the lapse of time, the process of adjustment of the balance has been rendered very slow. Some of the items composing this balance are from ten to twelve years old and much difficulty is experienced in tracing them and fixing the responsibility on proper shoulders since in many cases the officials concerned have either died or retired from service. The change of District Forest Officers during the interval has added materially to these difficulties and complication

The final disposal of this matter, therefore, involves patient labour and searching enquiries for many months.

In these circumstances, I beg to request that further time may be allowed for the settlement of the matter. I may take this opportunity to assure Government that the amount pending adjustment has already been actually spent and that it merely represents sums which for want of full particulars had been disallowed pending explanation.

I have the honour to be,

Sir,

Your most obedient servant,

Conservator of Forests.

F i n a n c i a l .....*Department.*

SIR,

Adverting to correspondence ending with this office No. 3311/A.C.434 dated 19th December 1907, I have the honor to state that the amounts of Jail Advance still remaining unadjusted, viz, Rs.2,653-5-8 is made up of the amounts drawn by the Superintendent of the Mysore Jail from the Treasury in the years 1888, 89, 1890 and 1891 and the value of timber supplied by the Forest Department to that officer in the years 1890 and 1891.

2. The Superintendent of the Mysore Jail says in the statement forwarded with his No. 259 dated 2nd August 1904 that sums aggregating Rs.5,046-3-3 were remitted by him to the Treasury by book transfer from the years 1889-89 to 1891-92. Apparently, he means that work bills to that extent were sent by him to this office for adjustment.

3. The amount now outstanding under Jail Advances appears to be due to the non-adjustment by this office of the above work bills. As neither the Jail Manufacture Accounts of that period, nor the work ~~bill~~ bills are now traceable to know for certain that this is the fact, I request that you will be so good as to obtain the sanction
